The New Way to GRC:
Leveraging Automation & AI

Lauren Wade
Sr. Manager, Product Marketing @ Vanta

You might be looking to...

Accelerate Growth

Increase Operational Efficiency

Improve Security and Risk Visibility

But a few things might be getting in the way...

Vanta

Buyer security expectations are increasing.

Vanta

65%

Say that customers, investors, and suppliers require increasing proof of compliance

Vanta

The compliance burden is growing.

Vanta

11

Working weeks per year are spent
on achieving and maintaining compliance

Vanta

And, third-party vendor risk is **expanding**.

Vanta

46%

say that a vendor of theirs has experienced a data breach

Vanta

You might have a lot of this...
